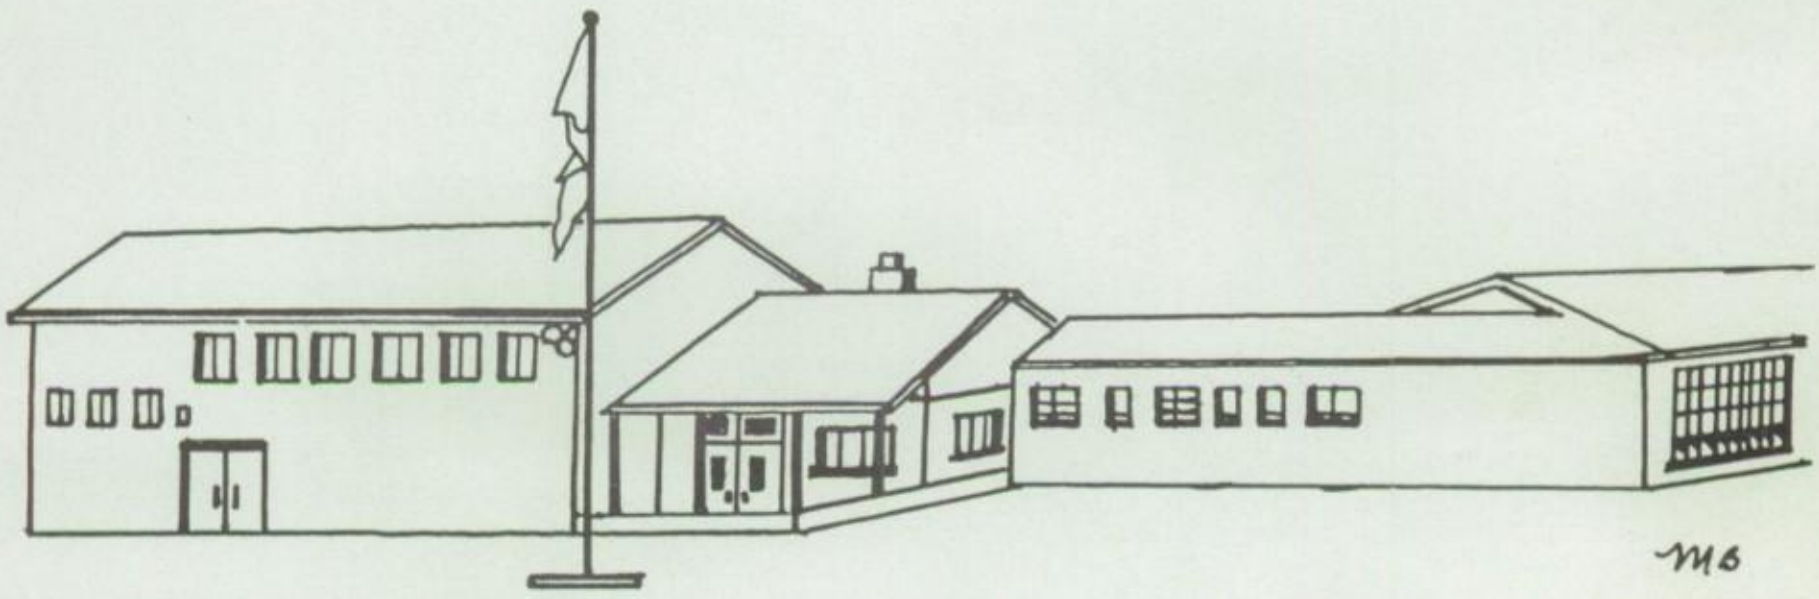
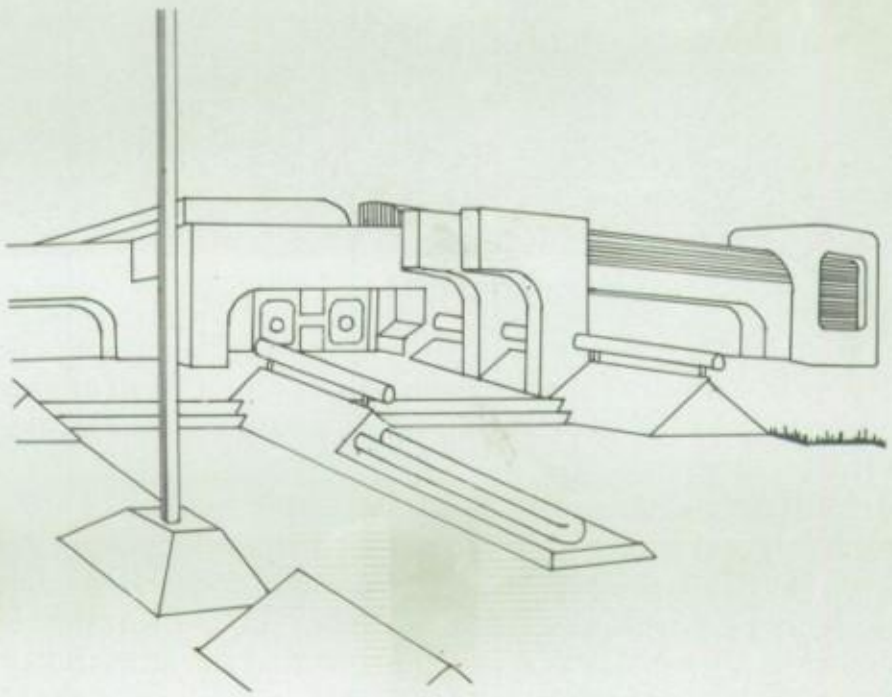
REMEMBERING BACK



WHILE . . .



MOVING ON!!!

1984-1985 VOL. 21

This year's annual is dedicated to Mr. Villalobos in appreciation for his twenty-one years of dedication and devotion to his profession, students, and the faculty.

Mr. Villalobos has put forth innumerable hours of hard work to organize educational trips to Mexico since he started teaching at Ganado High School. He has not only brought honor to himself but also to Ganado High School by being awarded an honorary Doctorate Degree from the Autonomus University of Mexico for contributing to the advancement of Mexican Culture and History.

We all want to give him our gratitude and our highest appreciation for all of his efforts on behalf of the student body.

HOMECOMING CORONATION

This year's Coronation was held on the afternoon of Oct. 24th. This allowed the entire student body to participate in the festivities. This year's program was under the direction of the GHS Band. The master of ceremonies was Victor Benally. Manuel Chaca, a recent graduate, delivered the Alumni Address. While Mr. Benally was introducing the candidates, they walked upon a white carpet through a garland arch with candles on either side lighting their pathway.

HOMECOMING

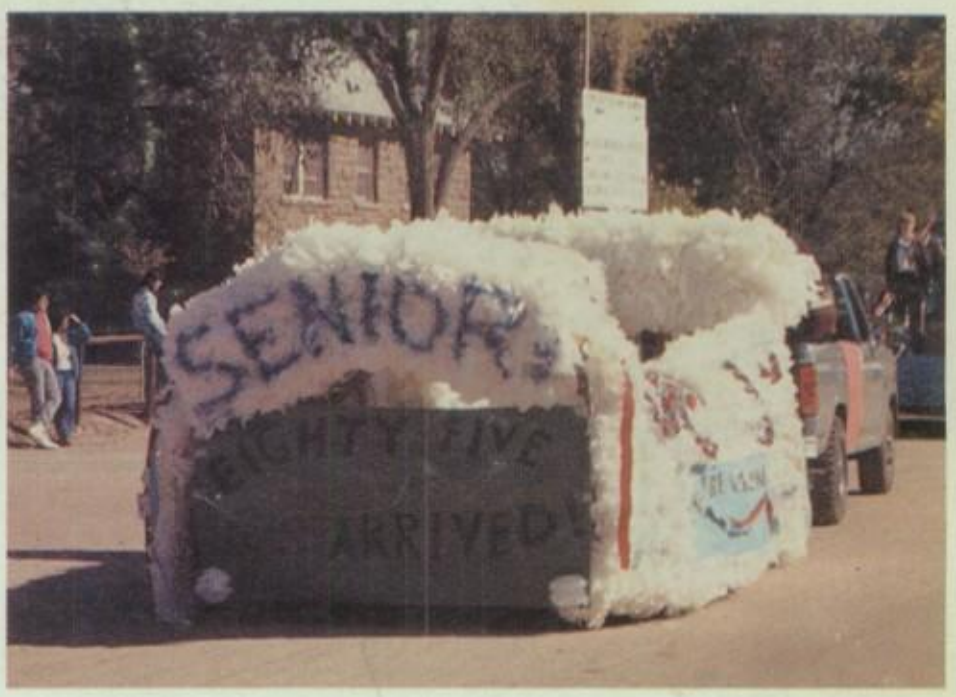
On a warm beautiful sunny day, the Homecoming Parade was held and was very exciting.

The homecoming parade started at the front of the hospital and ended at the high school.

The Homecoming King and Queen were Marilyn Dineyazhe, and Joseph Mora.



PARADE

This year the senior class took first place, with their float with the theme of "We're not gonna take it". Our Hornets winning team played the Mounument Valley Mustangs. The Hornets were Victorious with a winning score of 18 to 2.

The Homecoming Dance followed after the game in the new gym.

Dear Graduates:

In behalf of the Governing Board and the School District, we bid you farewell, the graduates of 1985. It is with mixed emotions that we watch you depart. We will miss the contributions that each of you have granted to our school and community during your years with us. However, we know that you will take your talents into the larger community and make important contributions to many others.

A sense of deep pride in your accomplishments is shared by all of us upon your commencement. We feel that graduation is truly the beginning for your membership in the world that goes far beyond the confines of the school. We wish you all the best as the best is what you all deserve.

Congratulations to each and every member of the Class of 1985.

Sincerely,

Albert A. Yazzie

Dear Seniors:

You are about to end your first phase of education. Your future is before you with many challenges ahead. The question that each and everyone of you must answer is "Where do I go from here?" Many of you will go on to school. Some of you will establish businesses. Whatever you choose to pursue in life, you hold the answers. Take that challenge, climb that hill. You have proven that you can accomplish a task and can be successful in your endeavers.

Sincerely,
Richard J. Varrati

The theme of the 1984-1985 Yearbook, "Remembering Back, While Moving on", has special significance to me since it reflects what I consider to be the primary value of a yearbook as well as encompassing the hopeful thoughts I have regarding our school and student body. I am confident that this yearbook will provide many people with the means by which to reminisce about countless people and events. Underclassmen will move on to yet another year of high school. Seniors will move on to college, military service, jobs, and many other experiences. But, we all like to look back occasionally and recall those people and events that we value the most. It is my hope that every student in Ganado High School benefits from our educational programs and extra-curricular offerings in such a way as to provide them with experiences that will become happy memories as well as adequately prepare them for entering another phase of life. This Yearbook will then be able to assist those students who are, "Remembering Back, While Moving On".

This year's Varsity Volleyball team had a successful season. They placed 2nd in the District Play-off. Placing 3 girls (Bernadette Smith, Herberta White, Carol Malone) on the All-Conference Team.

The Varsity girls went to the State Play-offs, ending their season to Safford Bulldogs at State. With a new Coach (Carson), the Varsity girls had good teamwork and was the first team ever from Ganado to make a trip to State. Good Teamwork, girls!!

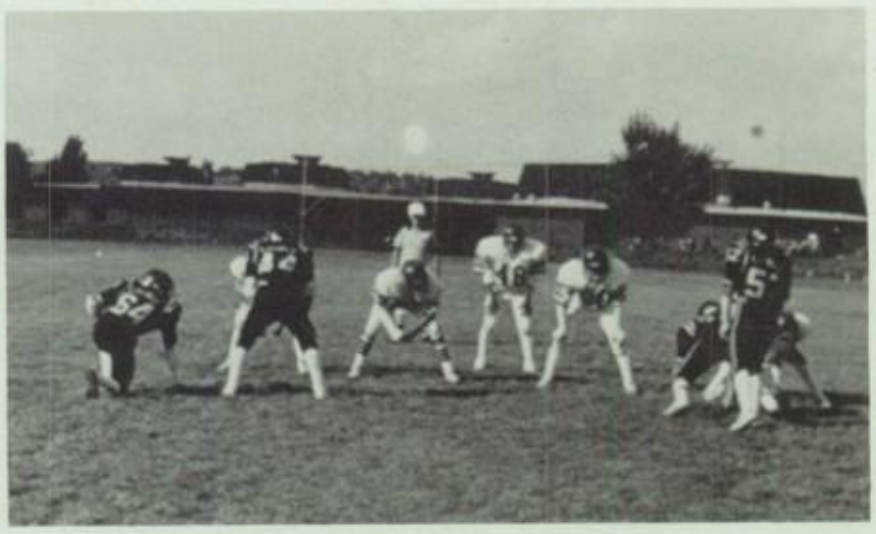
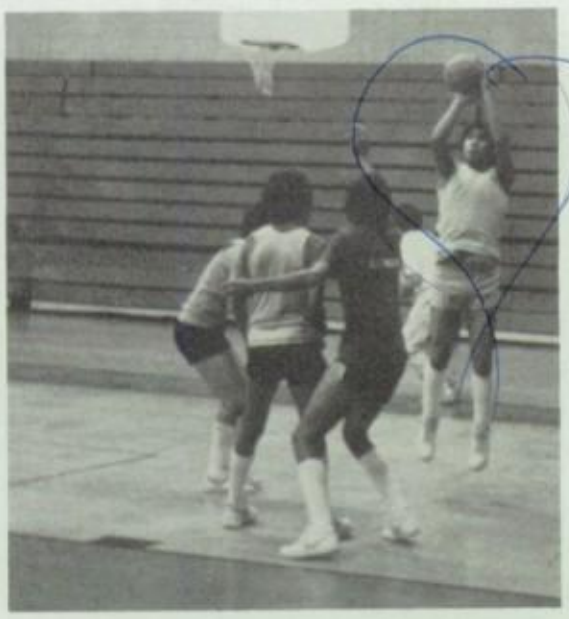
SPORTS . . .





PRACTICE! PRACTICE! Long hard, hours, sore muscles, dedication, and a good attitude make it a championship season for any sport regardless whether it is a team sport or individual competition. This year's teams were rewarded with honors. The football team went to the state playoffs for the third time. The cross country team effort resulted in another trip to state. Three wrestlers participated in state competition. The girl's volleyball team werved themselves a trip to state for the first time. In spite of losing many players, the boys team had a winning season. Practice, also, paid off for the girl's basketball team with a winning season. CONGRATULATIONS to the teams and individuals whose hard work has resulted in a championship year at Ganado High School.
